

**CIVIL ENGINEERING RFQ
FINAL SELECTION OF CONSULTANTS
JULY 3, 2008**

Thank you for submitting your firm's qualifications for the City of Winter Springs' Civil Engineering Continuing Services RFQ. A total of 24 submittals were received and evaluated by the City's selection committee. The committee has completed its review and selected the following firms, subject to City Commission approval:

Area 1 – Transportation and Traffic Engineering

Pegasus Engineering, LLC
Johnson, Mirmiran & Thompson, Inc.

Area 2 – Stormwater Engineering

Camp Dresser & McKee, Inc.
Royal Consulting Services

Area 3 – Civil Site Development

CPH Engineers, Inc.
Highland Engineering, Inc.

Please note that the six firms listed above represent the City Staff's final recommended selections (not a short list) and no presentations will be made.

The City will be in contact with the selected firms to discuss the next steps. The City intends to award work based on the best fit for each project, with the goal of having an equitable distribution of work over the contract term.

Thank you again for your interest in serving the City of Winter Springs. If you have any questions or would like to discuss anything regarding the selection process, please call me at 407-327-7597 or e-mail me at bfields@winterspringsfl.org.

Sincerely,

Brian Fields, P.E.
