

The following questions were asked to clarify RFP F-10-17-SB. Answers are listed in red.

1. Please confirm the requested rate for grinding vegetative debris is based on the unreduced volume of debris currently onsite at your DMS. **(Correct, unreduced)**
2. Please confirm that disposal rates for hauling reduced debris to landfill will be considered a pass through expense. **(Incorrect, disposal should be included in cost)**
3. The RFP states that the term of the contract is for 30 days from NTP or when the work is complete. The diagram on the pricing page shows that the completion date is November 10, 2017 which only allows 11 days. Please confirm the contract term is 30 days. **(Debris must be completed in the time stated by November 11th, 2017)**
4. What are the liquidated damages per day should the contract run over 30 days. **(Nov 12-18 \$100 per day, Nov 19 -25th \$250, After November 26th \$500 per day)**
