## Tusawilla Units 12/12A Ad-Hoc Wall Committee

### Mission of the Tusawilla Units 12/12A Wall Committee:

*To make a recommendation to the City Commission regarding the Tusawilla Units 12/12A Wall, either for its replacement, repair, or removal. Such recommendation shall address the technical and financial aspects of the recommendation, subject to the following constraining parameters: (1) No cost to the City, and (2) No further liability imposed on the City.*

November 12, 2012 was the initial date set by the City Commission for the Ad-Hoc Committee to complete its task and render a recommendation about the wall; however, a request could be made to extend the due date if the Committee requires additional time.

- On September 29, 2012, the first meeting of the Ad-Hoc Committee was held at City Hall to begin the process of making a recommendation to the City Commission regarding the wall. Staff and the City Attorney advised on the Sunshine Laws and discussions were had by the committee members about various options for the wall.
- On September 6, 2012, the second meeting of the Ad-Hoc Committee was held at City Hall and staff was requested to provide costs for various options. A vote was taken by the Committee and a date set for the next meeting of September 19, 2012 at 6pm – City Hall.
- Interested members of the public are encouraged to attend any meetings held at the City of Winter Springs.
- A record of all public meetings held at the City of Winter Springs are available at: [www.winterspringsfl.org](http://www.winterspringsfl.org)

**If you are a resident of Tusawilla Units 12/12A, the Ad-Hoc Committee would like to hear your suggestions and/or feedback related to the wall issue. Please feel free to send a message to City Staff at either of the following email addresses with your input:**

• [327-1800@winterspringsfl.org](mailto:327-1800@winterspringsfl.org)  
(407) 327-1800

- Brian Fields, P.E., City Engineer – [bfields@winterspringsfl.org](mailto:bfields@winterspringsfl.org) (407) 327-7597

**Your message will be provided to the Committee at their next regular scheduled meeting.**
