

Trotwood Park Parking Lot Improvements Project

- Construction started August 3 and is scheduled to be complete by December 1.
- Mercon Construction is performing the work, under contract with the City of Winter Springs in the amount of \$472,570.
- The project includes the following improvements (see drawing next page):
 - Paved parking and access road for the playground, splash pad, and courts.
 - Roadway and pedestrian connectivity from Northern Way to Trotwood Blvd.
 - Raised pedestrian crossing for traffic calming and safety.
 - Parking lot expansion at the smaller parking lot on Northern Way. Parking capacity increases from 11 to 25 parking stalls.
 - New signage and landscaping at the large parking lot entrance on Northern Way.
 - Reconstruct Northern Way entrances to allow for a smoother entry/exit for vehicles.
 - New sidewalks along the courts and along new paved parking areas.
 - Seat-walls and safety bollards along the basketball court.
 - New dumpster enclosure.
