TRI-COUNTY LEAGUE OF CITIES
ORANGE - SEMINOLE - OSCEOLA

**WINTER SPRINGS CITY COMMISSIONER
JOANNE M. KREBS
NOMINATED FOR "ELECTED OFFICIAL OF THE YEAR"!**

The 2nd Annual Tri-County League of Cities Distinguished Service Awards Gala was held on Friday, November 21, 2014 in Winter Park at the Rachel D. Murrah Civic Center.

An advocacy organization comprised of the 22 cities in Orange, Osceola, and Seminole Counties, the Tri-County League of Cities provides legislative and other vital information that assists area municipalities with many involved and incredibly important issues and helps "to resolve localized municipal issues".

In a Nomination by fellow Commissioners for "Elected Official of the Year", Commissioner Joanne M. Krebs was acknowledged with some of the following verbiage that describes Commissioner Krebs so perfectly... "Speaking of heart, there is also often passion, explained as "a strong feeling of enthusiasm or excitement for something or about doing something". This is how Commissioner Krebs feels about her community, her City – and for this she stands strong in her beliefs, is always interested in the whole story, and is passionate about what she believes is the right thing to do"

Commissioner Jean Hovey said, "Commissioner Krebs has been a champion for all cities, and has tirelessly worked to promote, not only the City of Winter Springs, but the importance of all cities." Commissioner Cade Resnick added, "Commissioner Krebs is a tireless community leader who is constantly focused on helping all people and the environment around them to be better than it was yesterday. Her involvement with Tri-County League of Cities is a testament to her beliefs, work ethic, and community development."

With this event honoring so many equally qualified and devoted Elected Officials – how incredible for Commissioner Krebs to be recognized and nominated for all of her contributions, not only to Winter Springs, but also for the central Florida area - Congratulations Commissioner Joanne M. Krebs on such a well-deserved honor!

TRI-COUNTY LEAGUE OF CITIES
 ORANGE - SEMINOLE - OSCEOLA

CITY MANAGER KEVIN L. SMITH
AWARDED
“EXECUTIVE OFFICIAL OF THE YEAR”!

On Friday, November 21, 2014, the Rachel D. Murrah Civic Center in Winter Park, Florida was the setting for the 2nd Annual Tri-County League of Cities Distinguished Service Awards Gala.

The Tri-County League of Cities is an advocacy organization comprised of the 22 cities in Orange, Osceola, and Seminole Counties which provides legislative and other vital information that will assist area municipalities with many involved and incredibly important issues and helps “to resolve localized municipal issues”.

In the category of “Executive Official of the Year”, numerous Nominees were evaluated on criteria such as “exhibits work performance that goes beyond the call of duty for their job description”; “has proven sound judgment, initiates ideas, has the utmost integrity and is extremely dependable in everything they do; “has excellent rapport with both citizens and fellow employees”; and “provides solutions that result in cost savings to the community or jurisdiction”.

Nominated through the City Commission, and from a submitted Narrative of 500 words, with comments such as “Integrity and transparency – two very important words nowadays when speaking about government – these are words that are interchangeable with the name Kevin Smith. From demanding of his staff that everything be handled with the utmost integrity and transparency, it starts from the top with Kevin Smith and goes to every level of staff – all for the benefit of our citizens and our Elected Officials.” And, “Beyond Kevin Smith’s excellent judgment, initiative, his soft spoken and laid back demeanor, and with the highest standards of professionalism – Kevin Smith demands nothing less than excellence, and is really the force behind the greatness of Winter Springs, Florida.” - it is no wonder that Winter Springs’ City Manager Kevin Smith won.

Time Change = \$\$ Savings

Daylight Saving Time ends on Sunday, November 2nd. When turning your clocks back one hour, don't forget to adjust the clock on your irrigation timer. More importantly, don't forget to adjust your watering days from two days per week to one day per week. Standard Time incorporates late fall and winter; a time when grass and landscape plants are dormant. The plants are not growing as they do during the spring and summer, and therefore require less water. Adjusting your irrigation to account for seasonal change and your lawn's water requirements is a great way to conserve water and save money.

If you are unsure how to adjust your irrigation timer or would like to ensure you are applying the correct amount of water to sustain your lawn through the winter, please contact the City to schedule a free irrigation audit. We will help you adjust your timer and can measure the amount of water your irrigation system is applying to ensure your lawn is receiving enough water to keep it healthy during the winter months. Please contact Stephanie Monica, Water Conservation Coordinator, at 407-327-6584 or smonica@winterspringsfl.org.

Your Watering Days Are Shown Below

Time	Odd address	Even address	Business
Daylight Saving	Wednesday/Saturday	Thursday/Sunday	Tuesday/Friday
Standard	Saturday	Sunday	Tuesday

**Daylight saving time begins the second Sunday in March and ends the first Sunday in November.
Watering restrictions apply to all potable, well, and surface water sources.
Reclaimed water may be used two days per week year round.**

CITIZEN VOLUNTEERS

LOOKING FOR RESIDENTS TO SERVE OUR CITY!!!

*"Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has."
- Margaret Mead*

We need you!! The City of Winter Springs is very fortunate to currently have many great citizens who serve their community by sitting on the City Commission's various Boards and Committees. The service of these wonderful and involved citizens is so appreciated by the Mayor and City Commission, and City Staff.

Most of the City's Boards and Committees meet quarterly, but a few meet on a monthly basis.

Being a part of one of our Boards or Committees only requires a few hours of one's time monthly or quarterly, but for this small effort, the rewards are incredible! – serving the Mayor and City Commission; meeting and working alongside fellow citizens; learning more about YOUR City; and working with the City's professional

and technical Staff. All of the City's Boards and Committees are Appointed by the Mayor and City Commission.

Currently, the City's active Boards and Committees include:

- Bicycle And Pedestrian Advisory Committee (Meets Quarterly)
- Board Of Trustees (Meets Quarterly)
- Code Enforcement Board (Meets Monthly)
- Oak Forest Wall And Beautification District Advisory Committee (Meets usually annually - in May)
- Parks And Recreation Advisory Committee (Meets Quarterly)
- Planning And Zoning Board/Local Planning Agency (Meets Monthly)
- Tusawilla Lighting And Beautification District Advisory Committee (Meets Quarterly)

The City Commission wants to make sure that as many citizens who are interested in serving in such a way, are able to – *so, if you would like to serve on one of the City Commission's Boards or Committees, please contact the Office of the City Clerk at (407) 327-5955 to request an Application and/or more information OR just go to our Website at <http://www.winterspringsfl.org/EN/web/gov/boards.htm>* The link to the City's Application for Volunteers will be in the first paragraph.

CITY OF WINTER SPRINGS CONSTRUCTION PROJECT UPDATE

Active Projects:

Additional Project Information including architectural renderings, site plans, and more colored photos can be found at www.winterspringsfl.org under the "Current Development Projects" Tab.

Artesian Park:

- Artesian Park is a proposed development of 7.87 acres with a total of 99 townhome units in the Town Center, adjacent to Jesup's Landing. The project features a plaza with a clubhouse and a pool within walking distance of the Town Center's offices, restaurants, and retail stores. On December 4, 2013, the Planning & Zoning Board unanimously recommended approval of the three Special Exception requests. The City Commission unanimously approved the three Special Exception requests at the January 13, 2014 meeting. Start time for the project is unknown.

Cross Seminole Trail:

- The Cross Seminole Trail has a missing link from Layer elementary to the west end of Old Sanford/Oviedo Road. In order for the State to convey the adjacent trail right of way to the City, the City is offering an equivalent area of unimproved right of way near Old Sanford/Oviedo Road. This unimproved right of way will be used as a portion of the property needed to complete the Cross Seminole Trail missing link. Additional property along SR 419 and Layer Elementary is being donated by Bart Phillips to complete this section of the trail corridor that is needed. Mr. Phillips is also receiving a small piece of right of way from the State that will no longer be needed once this alignment is finalized. This approval allows a land swap to be completed with the State to allow for the construction of the Magnolia Park Amphitheater. Staff has requested the trail width be increased from 12' to 14' for consistency with the rest of the trail. The Construction Agreement between Seminole County and the CSX Railroad is on the 9-23-14 County agenda for approval. Once executed by the County, funds are remitted to CSX by the County, and CSX fully executes the agreement and transmits it to the State, the FDEP staff will certify the corridor which will allow the land exchange process to continue. The land exchange should be to the Governor and Cabinet in early 2015 with the real estate closings occurring during the second quarter 2015.

CONSTRUCTION PROJECT UPDATE (Cont.)

Dunkin Donuts:

- A site plan has been submitted for a proposed Dunkin Donuts restaurant with an associated retail use, located on the 1.3 acre commercial outparcel of the Stone Gable PUD (Planned Unit Development). A Development Review Committee (DRC) meeting was held on September 9, 2014. The Final Engineering Plans and Aesthetic Review were submitted. The Planning & Zoning Board unanimously recommended approval of the project at the November 5, 2014 meeting.

The RiZE at Winter Springs (FKA) Grandeville:

- Developer: LeCesse Development Corp. The project is proposed as a 244 unit, four story apartment complex reflective of the historic downtown layout of the Town Center. The project is proposed to be located adjacent to City Hall, at the intersection of State Road 434 and Doran Drive. The ground breaking ceremony is scheduled for October 29, 2014. The foundation permits for the buildings and parking garage were issued with construction of the garage underway first.

The Greens at Tuskawilla:

- Builder: TGD Orlando, LLC. The project has a sophisticated look and design, with spacious townhomes nestled along the Fairway at Tuskawilla Golf Course. Take the cart path/walkway to the Tuskawilla Country Club located just off Winter Springs Boulevard. Staff has been releasing permits on a regular basis as the project moves forward and construction is ongoing.

Hayes Road Plaza:

- New Contractor: Harbco. The proposed project is an upscale 7-11 Convenience Store without pumps. In addition, the Plaza will have a Pizza Restaurant, and a Farmers Produce Market. After resolution of a few building items, the building official can issue a certificate of completion for the building. Certificates of Occupancy will be issued for each tenant as interior improvements are finished. The 7-Eleven is now open and operating. Additional tenants are to begin the permitting process in the near future.

CONSTRUCTION PROJECT UPDATE (Cont.)

Jesup's Landing:

• Builder: Mattamy Homes. Upon completion, this project will consist of 171 townhomes in 30 building units on 17 acres of land located on the south side of Orange Ave., behind Winter Springs High School. The subject property is located in the T4 Transect (General Urban Zone) of the Town Center. Construction on the clubhouse and pool area is nearing completion. Six buildings are complete or nearing completion and units are now being sold. The developer has presented an option for a two-story unit with the same architectural detailing. This option represents a minor aesthetic modification as the buildings will look the same and have the same architectural detailing. The project layout remains exactly the same as approved. Staff has been releasing permits on a regular basis as the project moves forward and construction is ongoing.

Magnolia Park:

• The construction of the Magnolia Park Amphitheater is on hold until the City receives a warranty deed from the State conveying to the City approximately 0.44 acres of adjacent trail right of way to the City. This adjacent trail right of way is needed because the amphitheater building encroaches into the State's trail right of way. This encroachment will allow maximum utilization of this facility given the constraints of the site. The ARC unanimously approved the request at the February 14, 2014 Meeting. The item should come before the Governor and Cabinet in the fall of 2014.

Offices at Winding Hollow (West side):

• Builder: Strasberg Construction & Development. The Office complex will consist of six single-story buildings having a total of 19,230 square feet of professional office space on 2.9 acres of property located on the west side of Winding Hollow Boulevard just south of State Road 434. Arbor penalty fines have been paid and Certificates of Completion have been issued.

The Professional Offices (East side):

• Builder: Strasberg Construction & Development. The Professional Offices will be located on the east side of Winding Hollow Boulevard. The proposed structures are to be even more upscale than the west side offices. The Final Engineering and Aesthetic Review Plans were approved at the City Commission meeting January 13, 2014. Permits have been issued and site work is underway.

CONSTRUCTION PROJECT UPDATE (Cont.)

Pinch A Penny:

- An Final Engineering Plan and Aesthetic Review application has been submitted for a 4,400 square foot building with a Pinch A Penny pool supply store and additional retail space located on the northeast corner of the intersection of SR 434 and Central Winds Parkway. This project was presented to the City Commission for final approval in 2008 but was not constructed. Staff held a Development Review Committee (DRC) meeting with the applicant on June 10, 2014, and the project was approved by the Planning and Zoning Board at the July 28, 2014 meeting. Final engineering for this item was approved at the July 28, 2014 City Commission meeting. The contractor has informed the City that the owner is considering changes to the building and site engineering. Staff will provide updates as they become available.

Plante Property (Tuskawilla Pointe):

- Staff has received a request to hold a charette for the Plante property, pursuant to Policy 2.1.2 of the City's Comprehensive Plan. This property comprises approximately 116 acres located in the southeast quadrant of the SR434 / Tuskawilla Road intersection. Approximately 60 acres will be the subject of a voluntary annexation. This property represents the largest enclave within the City. The applicant and staff are working together to finalize the annexation, land use change, and rezoning of the enclave property by the end of 2013. A charette was held on May 2, 2013 in the City Commission chambers. Approximately 30 citizens attended and solicited input to the proposed development of the property. The application for annexation is expected to be submitted by June 7, 2013. Staff met with the applicant on August 19, 2013 to finalize elements of the annexation, land use amendment, and rezoning. The application is expected to be submitted to the City by August 21, 2013 with the preliminary subdivision plan to follow soon thereafter. Staff is working on an Annexation Agreement that outlines the major uses for the annexed parcel. The annexation, land use amendment, and rezoning application have been submitted and are being reviewed by staff. At the October 2, 2013 Planning & Zoning Board meeting, the annexation, land use amendment, and rezoning applications were unanimously approved. The annexation, land use amendment and rezoning applications will be presented to the City Commission for first reading at the October 28, 2013 meeting. The annexation, land use amendment, and rezoning applications were unanimously approved at the October 28, 2013 City Commission meeting. The future land use amendment has been transmitted to the State of Florida for review and comments have been received. The future land use amendment and the requested rezoning are scheduled to come back before the City Commission for adoption on February 24, 2014 for final action. Staff continues to work with the applicant on the annexation agreement and the site plan. Staff and the applicant are working on revisions to the annexation agreement as well as changes to the proposed density study/concept plan. Second reading and adoption of the future land use amendment and rezoning ordinances will be delayed until the details of these amendments are finalized. It is anticipated that the second reading of these ordinances will come before the City Commission in April or May of 2014. Documents formalizing acceptance of the brownfield area as part of the annexation are also being formulated by the City Attorney's office. Second reading and adoption of the future land use amendment and rezoning ordinances as well as the pre-annexation agreement were approved by the City Commission at their May 12, 2014...

CONSTRUCTION PROJECT UPDATE (Cont.)

Plante Property (Tuskawilla Pointe) Continued:

- regular meeting. Resolution 2014-10 will be presented to the City Commission on July 28, 2014 which proposes to ratify and designate real property comprising part of the Plante property as a brownfield area, consistent with Seminole County's findings when the property was in the County. The City Commission designated a portion of this development as a brownfield area at the July 28, 2014 meeting. This brownfield area is the same as the one designated by Seminole County. Staff has been advised that the buyer and seller have been in negotiations over language involving the brownfield transfer. It is staff's understanding that these negotiations are nearing an end and the project should be moving forward.

Pollack Shores Apartments:

- Staff is in receipt of a Conceptual Plan submittal for a 338 unit apartment complex located on the northeast corner of the intersection of SR 434 and Michael Blake Boulevard. This project is located within the T5 (Urban Center Zone) of the Town Center. The plan is currently under staff review. A public meeting with the developer of the project was held on August 21, 2014 in order to solicit input and answer citizen's questions and address any concerns regarding this project. The Conceptual Plan will be presented to the City Commission later this year. The date of that Commission meeting will be determined at such time as City Staff is made aware these changes have been incorporated into the design of the project and further review is warranted. The Planning & Zoning Board unanimously recommended approval of the Preliminary Site Plan (PSP) subject to the City Commission continuing the project to a date certain to permit a workshop to be held with concerned citizens in order to permit their concerns to be heard prior to the PSP being approved by the City Commission. The applicant and concerned citizens will have a workshop on December 2, 2014 to resolve remaining design concerns that are related to the project. It is the anticipation that the PSP will not be presented to the City Commission until January 2015.

CONSTRUCTION PROJECT UPDATE (Cont.)

Primrose School of Winter Springs:

• Staff has been working with developers on a proposed daycare to be located on SR 434 at the Heritage Park outparcel. On December 9th, the City Commission approved both the Final Engineering and Aesthetic Review for a proposed 12,324 square foot Primrose School located at the southwest corner of Heritage Park Street and State Road 434. The proposed development will have a maximum of 206 students with an anticipated build out in 2015. The Final Engineering Plan and Aesthetic Review were approved by the Planning and Zoning Board on November 6, 2013, and approved by the City Commission on December 9, 2013. Building plans were submitted and on April 7, 2014, staff sent comments on the revised submittal of the building plans and received a response. Site work has commenced. Construction of the building is underway with the installation of the underground utilities. Construction continues on the building.

RaceTrac Gas and Convenience Center:

• Staff is working with the RaceTrac Company to redevelop the abandoned Hess Gas station site located at the intersection of SR 419 and U.S. Highway 17-92. The project will involve the annexation of three additional parcels of land south of the existing site. Construction is anticipated to being in the first quarter of 2015. Because of State regulations, modification of the on-site billboard will occur prior to the RaceTrac construction. This item has been reviewed and coordinated with the City Attorney. The applicant has requested an extension of the approved Final Engineering Plan and Aesthetic Review. At the October 27, 2014 meeting, the City Commission approved the extension of the Final Engineering Plan and Aesthetic Review for eighteen (18) months. The property has been cleaned up with the removal of the graffiti scheduled within a couple of weeks.

Seven Oaks Subdivision:

• Builder: Meritage Homes. The City Commission has approved the construction of the proposed Seven Oaks Subdivision, located on the south side of Shepard Road, north of Florida Avenue, east of Boat Lake, near the City's boundary on State Road 17-92. The final Plat was approved by the City Commission on November 18, 2013. Plan review for additional units continues and permits are continuously being issued as construction is ongoing. The developer is submitting a re-plat to address issues with several lots adjacent to Boat Lake. A re-plat for the expansion of lots 8-13 is currently under staff review. Construction of the residential units continues. On November 11, 2014; Veteran's Day, Meritage Homes gave a home in the Seven Oaks subdivision to a military veteran.

CONSTRUCTION PROJECT UPDATE (Cont.)

Southern Oaks Subdivision:

• The Southern Oaks subdivision, a proposed 50-acre development, will have around 92 houses near the Oviedo-Winter Springs line along State Road 434, across from the Black Hammock preserve. An approximately 4-1/2 acre parcel will be used for a retention pond. The developer would only be able to use the 4-1/2 acres as green space, not for building. The second reading of the annexation of the Florida Avenue right-of-way was completed on December 9, 2013. Staff met during the week of January 6, 2014 to discuss proposed modifications to the project's stormwater management system. An application has been submitted by the new owner of the property, (Mermel Property) Taylor-Morrison Homes of Florida for a rezoning to R-1A and a future land use amendment to Low Density Residential for the Mermel property and the former Florida Avenue right-of-way. The City Commission approved the Northern pond modification agreement at the March 10th, 2014 meeting. The second and final reading was approved by the City Commission at the March 24, 2014 meeting. The first phase of the project will begin with the portion in the City of Oviedo in late 2014. The second phase of the project will be the portion in Winter Springs and will follow in 2015. Final Engineering Plans have been submitted for review. Public hearing dates will be scheduled at such time all staff review comments have been satisfied.

Electronic Plans Review Process

The City is now accepting Building Plans electronically. Paper Building Plans are no longer accepted. All Building Plans must be submitted with a computer online through the ePlans ProjectDox Plan Review System.

Electronic Submittal Advantages

- Submit your Building Plans 24 hours a day/seven days a week
- Upload plans from your computer, reducing trips/time driving back & forth
- Review and compare building plan revisions on computer monitors
- Comparing revisions will take only hours instead of days
- e-Mail notification when revisions are needed or completion of plan review
- No need to print out and replace revisions or store paper plan revisions
- Complete Integration with the City's file management archive system
- Savings: Driving time, review time, fuel, paper, ink, and our environment

WINTER SPRINGS POLICE DEPARTMENT

Safety Tip of the Month:

Holiday Safety

The upcoming 2014 holiday season is drawing near. The members of the Winter Springs Police Department want to take a moment to remind everyone that we will again be implementing additional neighborhood and commercial district patrols to help keep our city safe. Despite our efforts, the most powerful tool we have in the fight against property crimes of opportunity is our residents and business owners. It is our continued goal to keep the criminal element out of our city but we need your help!

Some ways you can help:

- Always report suspicious activity immediately by calling 407-327-1000. The call you make could be the most important to help us catch criminals in your area.
- Keep your valuables locked up and out of ordinary sight, especially at shopping centers or areas where you could be a target for vehicle burglary. Windows are easily smashed by criminals to take things such as purses, computers, or other small electronics left in plain sight.
- Around your home or place of business, keep bushes and shrubs trimmed low, especially ones near front windows or other places where they could conceal someone trying to break in. Also keep security lighting in good working order to help light dimly lit areas.
- Remember: if something doesn't look right it probably isn't. Call us immediately and don't be afraid to report anything you think looks out of place. You may remain anonymous!

We wish everyone a prosperous and safe 2014 holiday season.

16th Annual Shop with a Cop

Each year in December the Winter Springs Police Department takes needy children shopping for the holidays. This is the 16th year for the Winter Springs “Shop with a Cop” program. The children arrive at the Police Department early Saturday morning and get partnered up with a Winter Springs Police officer. The children then head over to Señor Tequila’s to start the day with pancakes, eggs and Santa Claus. Then a lights-and-sirens-blaring caravan brings the children to Wal-Mart for a \$100 shopping spree. The caravan then heads to the Civic Center, where the children and their helpers wrap their gifts. Once the wrapping is done, the children head outside, only to find a shiny new bike with their names attached to it.

Each child receives a brand new bike, helmet and bike lock courtesy of the Oviedo and Winter Springs Rotary's Christmas Bike Program. There is a limited amount of space in the program each year, and we rely on the counselors at the elementary schools to refer children in need. No matter what struggles these children are facing at home, during “Shop with a Cop”, they can put those issues aside, if only for a moment.

If you are interested in donating to the “Shop with a Cop” program please contact Cpl. Cavanagh at #407-327-7565 or JCAVANAGH@WINTERSPRINGSFL.ORG. Donations must be received by December 06, 2014.

Safety Tip Of The Month -

REDUCE CRIMINAL OPPORTUNITY

Although you can't make your home 100 percent burglar proof, you can take simple precautionary measures to make entry so difficult that a burglar will look elsewhere for an easier target. Burglars don't like to make noise. They don't like to be delayed, and want to avoid risk. The burglar is an opportunist and it matters little to him if your absence from home is of a short or long duration. He knows the common weak points in home security and knows where to look for valuables. Here are some simple precautions and procedures you can use to DETER, DELAY, DENY, OR DETECT a burglar.

BEGIN WITH THE EXTERIOR

Clean out or cut back shrubbery and trim trees which obstruct a clear view of entrances and windows of your home. Why give a burglar cover and more time to work unobserved.

LIGHTING

The entrances to your home and garage service door should be well lighted, and the lights placed out of reach from ground level. A high pressure sodium lamp is the most efficient type. Inexpensive timers or an electrical photo cell will turn lights on at dusk and turn them off at dawn. Sensor operated spot lights can be an effective crime prevention device.

ADDITIONAL PREVENTION TIPS

Always make your home appear occupied when you are at home, out for the evening, or on an extended vacation. Always make sure the windows are secured and locks are locked, including the garage. Leave a radio or television set playing. To insure that lights are on during times of darkness, whether you are at home or away, inexpensive automatic timers or electric photo cells should be installed. Never leave notes indicating when you will return home. Never leave spare keys under door mats, in mail boxes or over the door frame.

PLAN AHEAD WHEN LEAVING FOR VACATION OR EXTENDED ABSENCE

Newspapers, flyers, and a buildup of mail are sure signs to a burglar that the home is unoccupied. Arrange with a neighbor to pick up the newspapers, flyers, and mail. Apartment dwellers should also follow this recommendation. Have someone mow your lawn. Leave a key with a trusted neighbor or relative. Have them vary the position of the shades and/or drapes. Don't publicize your planned absence. Contact the Winter Springs Police Department and let them know you will be gone for an extended time and who will have a key if needed in an emergency.

THE CONTENTS OF YOUR HOME

Don't keep large sums of money in the home. Mark your valuables with your Social Security Number, record serial numbers and make an inventory of the items. A second copy should be kept in a secure location outside the home.

ADDITIONAL RECOMMENDATIONS

Join a neighborhood block watch. If one is not established in your neighborhood, start one. Phone the Winter Springs Police Department, Crime Prevention Unit, (407) 327-7565, we will be happy to assist you.

A FINAL THOUGHT

Although the Winter Springs Police Department recommends procedures for making your home and garage burglar resistant, there is no guarantee your home will not be entered. However, by

WINTER SPRINGS POLICE DEPARTMENT

implementing the recommendations, you will be practicing the 4 D's of crime prevention. • DETER THE BURGLAR • DELAY THE BURGLAR • DENY THE BURGLAR • DETECT THE BURGLAR

If, despite taking these suggested precautions, you discover your home has been burglarized, do not enter your home. Call the police 9-1-1 or (407) 327-1000 from a safe location and stay outside of your home until it has been searched and is known to be safe for your entry.

If you feel uncomfortable about calling the police department, you can report suspicious activity anonymously to the Winter Springs Police Tip Line at 407-327-8977 or email us at crimetips@winterspringsfl.org. You don't have to give your name.
