## WHAT IS A CITIZEN VOLUNTEER?

Citizens are many things and Winter Springs' residents are absolutely the best!

- C** - Caring
- I** - Interested
- T** - Terrific
- I** - Incredible
- Z** - Zealous
- E** - Enthusiastic
- N** - Neighborly
- S** - Service-minded

**If this sounds like you, then your Mayor and City Commission would greatly appreciate your assistance...**

**Volunteer:** *vol•un•teer*  
 - a person who freely offers to take part in an enterprise or undertake a task  
 - freely offer to do something

The City of Winter Springs is very fortunate to currently have many great citizens who have these same qualities as noted above. However, they are always interested in finding new residents to fill occasional opening - and needs citizens who want to get involved, who want to learn more about their City, and have a few hours a month or every few months, to assist the Mayor and City Commission, as one of their Citizen Volunteers.

Most of the City's Boards and Committees meet quarterly, but a few meet on a monthly basis. Being a part of one of our Boards or Committees only requires a few hours of one's time monthly or quarterly, but for this small effort, the rewards are incredible! - serving the Mayor and City Commission; meeting and working alongside fellow citizens; learning more about YOUR City; and working with the City's professional and technical Staff. All of the City's Boards and Committees are Appointed by the Mayor and City Commission.

### Currently, the City's active Boards and Committees include:

- Bicycle And Pedestrian Advisory Committee (Meets Quarterly)
- Board Of Trustees (Meets Quarterly)
- Code Enforcement Board (Meets Monthly)
- Oak Forest Wall And Beautification District Advisory Committee (Meets usually annually - in May)
- Parks And Recreation Advisory Committee (Meets Quarterly)
- Planning And Zoning Board/Local Planning Agency (Meets Monthly)
- Tusawilla Lighting And Beautification District Advisory Committee (Meets Quarterly)

## City of Winter Springs Construction Project Update March 2014

Additional Project Information including architectural renderings, site plans, and more colored photos can be found at [www.winterspringsfl.org](http://www.winterspringsfl.org) under the "Current Development Projects" Tab.

### ACTIVE PROJECTS:

#### **Artesian Park:**

• Artesian Park is a proposed development of 7.87 acres with a total of 99 townhome units in the Town Center, adjacent to Jesup's Landing. The project features a plaza with a clubhouse and a pool. All within walking distance of the Town Center's Offices, Restaurants, and Retail stores. On December 4, 2013, the Planning & Zoning Board unanimously recommended approval of the three Special Exception requests. The City Commission unanimously approved the three Special Exception requests at the January 13, 2014 meeting.

#### **Cross Seminole Trail:**

• The Cross Seminole Trail has a missing link from Layer elementary to the west end of Old Sanford/Oviedo Road. In order for the State to convey the adjacent trail right of way to the City, the City is offering an equivalent area of unimproved right of way near Old Sanford/Oviedo Road. This unimproved right of way will be used as a portion of the property needed to complete the Cross Seminole Trail missing link. Additional property along SR419 and Layer Elementary is being donated by Bart Phillips to complete this section of the trail corridor that is needed. Mr. Phillips is also receiving a small piece of right of way from the State that will no longer be needed once this alignment is finalized. This approval allows a land swap to be

completed with the State to allow for the construction of the Magnolia Park Amphitheater. Staff requested the trail width be increased from 12' to 14' to be consistent with the rest of the trail in the City.

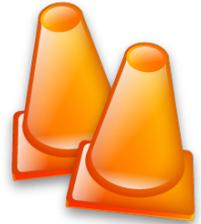

#### **Grandeville at Town Center:**

• Developer: LeCesse Development Corp. The project is proposed as a 244 unit, four story apartment complex reflective of the historic downtown layout of the Town Center. The project is proposed to be located adjacent to City Hall, at the intersection of State Road 434 and Doran Drive. The project is in the final design stages awaiting submittal of the final engineering plans. As of December 31, 2013, the developer has not submitted plans. Several discussions with the developer have pointed toward a start in 2014.

## The Greens at Tuskawilla:

- **Builder:** TGD Orlando, LLC. The project has a sophisticated look and design, with spacious townhomes nestled along the Fairway at Tuskawilla Golf Course. Take the cart path/walkway to the Tuskawilla Country Club located just off Winter Springs Boulevard. Staff has received a building permit for one additional townhome building. A third building is under construction. A permit for a fourth building has been issued. Permits for two additional buildings have been submitted and are under review. A permit for a fifth building is ready for issuance. Construction is still ongoing.

## Hayes Road Plaza:

- **New Contractor:** Harbco. The proposed project will be an upscale Seven-11 Convenience Store without pumps. In addition, the Plaza will have a Pizza Restaurant, and a Farmers Produce Market. A building permit has been issued for foundation, utility and mechanical work with vertical building construction underway. The building permit for the 7-11 interior build-outs is ready for issuance. Construction on the building continues

## Jesup's Landing:

- **Builder:** Mattamy Homes. Upon completion, this project will consist of 171 townhomes in 30 building units on 17 acres of land located on the south side of Orange Ave., behind Winter Springs High School. The subject property is located in the T4 Transect (General Urban Zone) of the Town Center. A permit for the clubhouse has been submitted. Units are beginning to sell and staff is working with the developer on various allowable advertisement methods. Six buildings are in various stages of construction representing approximately 30 units. Construction on the clubhouse and pool area is nearing completion.

## Magnolia Park:

- The construction of the Magnolia Park Amphitheater is on hold until the City receives a warranty deed from the State conveying to the City approximately 0.44 acres of adjacent trail right of way to the City. This adjacent trail right of way is needed because the amphitheater building encroaches into the State's trail right of way. This encroachment will allow maximum utilization of this facility given the constraints of the site. Because of some concern over the right of the trail to cross school board property at Layer Elementary, the States Acquisition Restoration Council meeting has been postponed until sometime in February 2014 while the access issues are resolved. The ARC unanimously approved the request at the February 14, 2014 Meeting. The item should come before the Governor and Cabinet in the fall of 2014. Additional updates will be made available as information is forthcoming.

### Offices at Winding Hollow (West side):

- Builder: Strasberg Construction & Development. The Office complex will consist of six single-story buildings having a total of 19,230 square feet of professional office space on 2.9 acres of property located on the west side of Winding Hollow Boulevard just south of State Road 434. The first phase (four Buildings) of the project is scheduled to be completed by January 2014.

### The Professional Offices (East side):

- Builder: Strasberg Construction & Development. The Professional Offices will be located on the east side of Winding Hollow Boulevard. The proposed structures are to be even more upscale than the west side offices. The Final Engineering and Aesthetic Review Plans were approved at the City Commission meeting January 13, 2014. Construction will begin in the first quarter of 2014.

### Plante Property (Tuskawilla Pointe)

- Staff has received a request to hold a charette for the Plante property, pursuant to Policy 2.1.2 of the City's Comprehensive Plan. This property comprises approximately 116 acres located in the southeast quadrant of the SR 434/Tusawilla Road intersection. Approximately 60 acres will be the subject of a voluntary annexation. This property represents the largest enclave within the City. Staff is working on an Annexation Agreement that outlines the major uses for the annexed parcel. The annexation, land use amendment, and rezoning application have been submitted and are being reviewed by staff. At the October 2, 2013 Planning & Zoning Board meeting, the annexation, land use amendment, and rezoning applications were unanimously approved. The annexation, land use amendment and rezoning applications will be presented to the City Commission for first reading at the October 28, 2013 meeting. The annexation, land use amendment, and rezoning applications were unanimously approved at the October 28, 2013 City Commission meeting. The future land use amendment has been transmitted to the State of Florida for review and comments have been received. The future land use amendment and the requested rezoning are scheduled to come back before the City Commission for adoption on February 24, 2014 for final action. Staff continues to work with the applicant on the annexation agreement and the site plan. The applicant has requested the future land use amendment and rezoning be continued until the March 24, 2014 City Commission meeting. Staff is still working on language for the annexation agreement.

### Primrose School of Winter Springs:

- Staff has been working with developers on a proposed daycare to be located on SR 434 at the Heritage Park outparcel. On December 9th, City Commission approved both the Final Engineering and Aesthetic Review for a proposed 12,324 square foot Primrose School at the southwest corner of Heritage Park Street and State Road 434. The proposed development will have a maximum 206 students with an anticipated build out in 2015. The Final Engineering Plan and Aesthetic Review...

...were approved by the Planning and Zoning Board November 6, 2013, and approved by the City Commission December 9, 2013. Building plans have been submitted for review. A pre-construction meeting should be scheduled sometime during the next few weeks.

### **RaceTrac Gas and Convenience Center:**

- Staff is working with the RaceTrac Company to redevelop the abandoned Hess Gas station site located at the intersection of SR 419 and U.S. Highway 17-92. The project will involve the annexation of three additional parcels of land south of the existing site. The representative of RaceTrac has contacted the City and would like to meet with Staff in order to discuss potential revisions to the Final Engineering Plans. Construction is scheduled to begin in late 2014 or in the first quarter of 2015.

### **Seven Oaks Subdivision:**

- Builder: Meritage Homes. The City Commission has approved the construction of the proposed Seven Oaks Subdivision, located on the south side of Shepard Road, north of Florida Avenue, east of Boat Lake, near the City's boundary on State Road 17-92. The final Plat was approved by the City Commission November 18, 2013. Construction of the first model home is nearing completion.

### **Southern Oaks Subdivision:**

- The Southern Oaks subdivision, a proposed 50-acre development, will have around 92 houses near the Oviedo-Winter Springs line along State Road 434 across from the Black Hammock preserve. An approximately 4-1/2 acre parcel will be used for a retention pond. The developer would only be able to use the 4-1/2 acres as green space, not for building. The second reading of the annexation of the Florida Avenue right-of-way was completed on December 9, 2013. Final Engineering Plans will be submitted in the near future. Staff met during the week of January 6, 2014 to discuss proposed modifications to the project's stormwater management system.

### **Winter Springs Village:**

- Builder: Meritage Homes. The project is located on a 40-acre site on the east side of Tuskawilla Road, north of S.R. 434, immediately south of the St. Johns Landing subdivision. Winter Springs Village is made up of 202 units of large single family homes with up to 5,100 Sq Ft under air. In addition, the project has medium sized single family homes with approx 2,400-3,000 Sq Ft under air. Also, included are single family Bungalow units that feature rear entry garages. Construction is nearing completion.

# WINTER SPRINGS POLICE DEPARTMENT

## SAFETY TIP OF THE MONTH:

The Winter Springs Police Department would like your help by following these tips to aid in reducing auto burglaries:

### Practice T. L. C.

**T**AKE OUT VALUABLES  
**L**OCK YOUR VEHICLE  
**C**LOSE YOUR WINDOWS & SUN/MOON ROOF

- Remember that the best prevention against thefts from vehicles is to always lock your vehicle and not leave valuables visible. Let's get together in moving the thieves out of Winter Springs. Don't be a victim, be safe.
- If you do see suspicious activity it is important to report it immediately to the Winter Springs Police Department by calling 911. If possible get a good description of the person(s), his/her clothing, color and make of vehicle and direction of travel. It is not always possible to get a complete vehicle license number. Even a partial License number is helpful. If you are not sure where you are, look for a land-mark or a street address on a building.

If you feel uncomfortable about calling the police department, you can report suspicious activity anonymously to the Winter Springs Police Tip Line at 407-327-8977 or email us at [crimetips@winterspringsfl.org](mailto:crimetips@winterspringsfl.org). You don't have to give your name.

**Help the Winter Springs Police Department:  
Be a crime stopper not a victim.  
Lock your car - Report suspicious activity.**
