CITY OF WINTER SPRINGS CONSTRUCTION PROJECT UPDATE

Active Projects:

Additional Project Information including architectural renderings, site plans, and more colored photos can be found at www.winterspringsfl.org under the "Current Development Projects" Tab.

Cross Seminole Trail:

- The Cross Seminole Trail has a missing link from Layer elementary to the west end of Old Sanford/Oviedo Road. Seminole County's planned connection will continue from the current terminus at Layer northerly adjacent to SR 419. It will then turn under the power easement in unimproved City right of way, cross the CSX tracks, and then connecting to the trail end in the power easement. The property along SR 419 and Layer Elementary is being donated by Bart Phillips to complete this section of the trail corridor that is needed. The trail/railroad crossing agreement between Seminole County and CSX was finally approved on 9-23-14 and funds for the construction of the crossing have been remitted to CSX. The State can now certify a viable corridor exists which will allow the appraisals for the donated land to proceed. Once approved by the Governor and Cabinet in 2nd Quarter 2015, the real estate closings should occur in mid 2015. Seminole county has the trail construction plans complete and they plan on proceeding with construction shortly after the land conveyances are completed.

Magnolia Park Amphitheater:

- The construction of the Magnolia Park Amphitheater is tied to the Cross Seminole Trail property conveyances timeline with real estate closings anticipated to be completed by late 2015. The City plans on purchasing from the State approximately 0.44 acres of trail right of way adjacent to the City property. This adjacent trail right of way is needed because the amphitheater building encroaches into the State's trail right of way. This encroachment will allow maximum utilization of this facility given the constraints of the site. Staff presented updated cost estimates to the City Commission at the March 23, 2015 meeting and they were directed to identify potential cost savings opportunities for the Commission to consider that could bring the project within budget. Construction is anticipated to begin in early 2016 with completion in summer of 2016. (continued next page)

CONSTRUCTION PROJECT UPDATE (Cont.)

Magnolia Park Amphitheatre:

- (continued) Meetings are ongoing with the architect to identify potential cost saving revisions to the design.

Dunkin Donuts:

- A pre-construction meeting was held on March 26, 2015. Purchase of the property was completed during the week of April 20, 2015 and the recording of the development agreement is in process. Construction on the project will commence soon.

The RiZE at Winter Springs:

- Construction on the residential units is underway and various roadway and sidewalk improvements are scheduled to begin in the near future.

CONSTRUCTION PROJECT UPDATE (Cont.)

The Greens at Tuskawilla:

• Staff has been releasing permits on a regular basis as the project moves forward and construction is ongoing. The developer has indicated they plan on submitting a re-plot in the near future to address the shifting of lot lines on lots 9, 10, 11, and 12. This will allow the finished floor elevation to be closer to the elevation of the 10th tee box at the Tuskawilla Country Club. Currently, there is about a seven (7) foot drop from 10th tee to the back of building.

Jesup's Landing:

• Upon completion, this project will consist of 171 townhomes in 30 building units on 17 acres of land located on the south side of Orange Ave., behind Winter Springs High School. Staff has been releasing permits on a regular basis as the project moves forward and construction is ongoing.

Northern Oaks:

• Staff is in receipt of an application for annexation, rezoning, large scale future land use amendment and Preliminary Subdivision Plan for a 20.48 acre parcel of land located on the north side of SR 434, approximately 1,000-feet east of SR 417. The applicant is proposing to rezone the property to R-1 (One-family dwelling district) and designate of future land use of Low Density Residential in order to develop a 49 unit single-family residential subdivision on the property. On January 7, 2015, the Planning & Zoning Board considered the annexation, rezoning and future land use amendments on the property and recommended approval. The annexation, rezoning, and future land use was presented to the City Commission at the January 26, 2015 meeting. The annexation, rezoning and land use will be brought back to the Commission at a later date. The Preliminary Subdivision Plan will be presented at a later date. Staff continues to work with the developer to formulate the make up of the proposed residential subdivision. Environmental and stormwater feasibility studies are currently underway.

CONSTRUCTION PROJECT UPDATE (Cont.)

Offices at Winding Hollow (West side):

- The Office complex has 4 of the 6 buildings complete, with the final 2 buildings part of a future phase that has not started construction.

Opportunity Sites:

- Winter Springs offers excellent opportunities for the development of high technology industries. Situated on the eastern edge of the City, Seminole Way is a strategic economic development initiative focused on attracting high value jobs and businesses to Seminole County. The State Road 417 (Central Florida Greenway) corridor

defines the boundaries of the Seminole Way district, spanning the length of Seminole County and connecting to both Orange County's "Innovation Way" and the "Medical City" located at Lake Nona. The City has targeted this Greenway Interchange District (GID) for technology industry development complemented by commercial and retail establishments. It is expected to become a premier employment center with professional and high tech office buildings, conference facilities, and hotel rooms.

The GID opportunity site is comprised of 26 potential sites with over 378 acres. One of the key features of this opportunity site is the ease of assemblage: it offers the largest consolidation of vacant developable land within the City under the ownership of only 3 land owners.

Contact: Randy Stevenson - Community Development Director 407-327-5970

CONSTRUCTION PROJECT UPDATE (Cont.)

Plante Property (Tuskawilla Pointe):

- The proposed project will include up to 450 residential units comprised of traditional single family detached homes and detached bungalow units on lots ranging 34ft. to 70ft. in width. The northern most portion of the property is five 5 acres of commercial property and fronts on the east side of Michael Blake Boulevard and Tuskawilla Road. The applicant is in the process of preparing a right-of-way master plan to facilitate the vacation of any unused paper roadway easements on the southern portion of the property. On April 27, 2015, the City Commission approved a 90 day extension of the pre-annexation agreement to facilitate closing on the property on or around May 21, 2015

Pollack Shores Apartments:

- A Concept Plan for the project, which will be located in the NE quadrant of SR 434 and Tuskawilla Rd., along with an attendant development agreement, was approved by the City Commission at their February 9th, 2015 meeting. City staff met with the applicant on April 23, 2015 to discuss a site layout. A revised site plan, in compliance with the concept plan and development agreement approved by the City Commission in February 2015, will be submitted in the near future.

The Professional Offices (East side):

- The Professional Offices will be located on the east side of Winding Hollow Boulevard. The proposed structures are to be even more upscale than the west side offices. The Final Engineering and Aesthetic Review Plans were approved at the City Commission meeting January 13, 2014. Permits have been issued and construction is underway.

CONSTRUCTION PROJECT UPDATE (Cont.)

Seven Oaks Subdivision:

• The City Commission has approved the construction of 138 single-family units in the proposed Seven Oaks Subdivision, located on the south side of Shepard Road, north of Florida Avenue, east of Boat Lake, near the City's boundary on State Road 17-92. The final Plat was approved by the City Commission on November 18, 2013. A re-plat to address issues with several lots adjacent to Boat Lake was approved by the City Commission at the January 26, 2015 meeting. Construction of the residential units continues.

Southern Oaks Subdivision:

• The Southern Oaks subdivision, a proposed 50-acre development, will have around 92 houses near the Oviedo-Winter Springs line along State Road 434, across from the Black Hammock preserve. The first phase of the project will begin with the portion in the City of Oviedo in late 2014. The second phase of the project will be the portion in Winter Springs and will follow in 2015. Final Engineering Plans have been submitted for review. Public hearing dates will be scheduled at such time all staff review comments have been satisfied. A pre-application meeting was held with the developer on

November 5, 2014 to discuss incorporating a property located to the east into the overall development. Staff expects the Final Engineering, Development Agreement, and Aesthetic Review to go before the City Commission at a later date. Staff met with the applicant on April 10, 2015 to discuss the initiation of site work on the Winter Springs portion of the project.

WINTER SPRINGS POLICE DEPARTMENT

Safety Tip of the Month:

May Is Water Safety Month!

Living in Florida, we all know that there are two seasons; hot and not-so-hot! More importantly, as the temperature rises, so does activity in and around the water. The Winter Springs Police Department would like to remind everyone that even though we look forward to a summer around the pool or at the beach, there are some inherent dangers that come with our attempts to stay cool. Keep these rules in mind to keep your summer safe and refreshing.

1. NEVER LEAVE A CHILD UNATTENDED AROUND A POOL, SPA, BATH TUB OR BODY OF WATER.
2. Teach your children basic water safety skills.
3. Learn how to swim and ensure your children know how to swim as well.
4. Have a phone close by when visiting pool, spa or the beach.
5. If a child is missing, look for them in the pool or spa first, including your neighbor's pools or spas.
6. Share safety instructions with family, friends, babysitters and neighbors.

IF YOU HAVE A POOL:

1. Install a 4-foot fence around the perimeter of the pool or spa, including portable pools.
2. Use self-closing and self-latching gates; ask neighbors to do the same if they have pools or spas.
3. If your house serves as the fourth side of a fence around a pool, install and use a door or pool alarm.
4. Maintain pool and spa covers in good working order.
5. Ensure any pool or spa you use has a compliant drain cover; ask if you do not know.
6. Have life saving equipment such as life rings, floats or a reaching pole available and easily accessible.

Some of us will take to the water in boats and personal water craft, canoes and kayaks. Make sure you have been properly trained in their usage and what to do in case of emergency.

WINTER SPRINGS POLICE DEPARTMENT

Safety Tip of the Month: (Cont'd)

1. Make sure your vessel conforms to U.S. Coast Guard safety standards and that all U.S. Coast Guard required safety equipment is aboard and in use. (If you are unsure, please visit <http://www.uscgboating.org/>)
2. Do not consume alcohol or drugs while operating a boat, personal water craft, kayak or canoe.
3. Know the limitations of your vessel.
4. Ensure all occupants know what to do in case of emergency.
5. Closely monitor weather and water conditions.

If you have any further questions, you can view pool safety tips at www.poolsafely.gov or call the Winter Springs Police Department at 407-327-1000. Be safe and have a terrific swimming season!

SENIOR CENTER

The Winter Springs Senior Center is the most active recreational facility in the City on a day to day basis. The Senior Center is open to anyone over the age of 55. The programs offered are designed to keep the body and mind active. The programs include Line Dancing, Mexican Train Dominos, Tai Chi, Ceramics, Art Group, Jazzercise, Bridge Class, Silver Sneakers exercise class, Mah Jong, Computer Class, Chair Yoga, and Bingo. On Wednesdays, there is a catered lunch for only \$6.00. Each month, there are various day trips that will take you to see a show or walk through a museum. Cost varies in price per day trip. For more information about memberships, programs, or day trips, please call Susie Coffman or Kelley Robinson at 407-327-6554.

THERAPY POOL

The Winter Springs Therapy Pool is an award winning facility that provides exercise classes for those over the age of 55. The Therapy Pool has been voted as the #1 Therapy Pool in the State of Florida and the #2 Therapy Pool in the country by the United States Water Fitness Association. The water is heated to a temperature of 92-94 degrees. The benefits of the heated water include improving blood circulation and allowing aching muscles and joints to relax. Classes are offered in six week sessions at various intensities from low to medium intensity. The low intensity classes include Basic Arthritis, Water Walking, and Walk-Tone Balance. The medium intensity classes include Aerobics H2O, Power Aquatics, Water Wake-Up, and Strength & Flexibility. For more information about the Therapy Pool, classes, or membership, please call Dell Walker at 407-327-6577.
