## Free Little Library

If you enjoy visiting parks and reading a good book, the City of Winter Springs has opened a Free Little Library located at Trotwood Park. The goal of the Free Little Library is to promote literacy and the love of reading for all ages. Creating the library was a partnership between The City of Winter Springs, Keeth Elementary, Indian Trails Middle School, and Winter Springs High School. Special Thanks to Commissioner Joanne Krebs who recommended the idea. Next time you visit Trotwood Park, feel free to take a book and leave a book for your neighbor.

If you would like more information or to donate a gently used book for readers of all ages, please contact Mike Barclay at 407-327-6592 or email [mbarclay@winterspringsfl.org](mailto:mbarclay@winterspringsfl.org).

## The Police Report:

### THE SUMMER SEASON IS BURGLARY SEASON

It's not unusual for police departments to see a rise in burglaries during the summer months. Some of the contributing factors to this rise include the increase of people away from their homes on vacation, the decrease in the amount of time kids are occupied by school, and the increase in transitory traffic through our state as a result of living in tourism central.

Crime requires three elements to occur; Motive, Ability and Opportunity. As vigilant citizens, it should be our goal to eliminate the opportunity of crime as we cannot control motive and ability. The Winter Springs Police Department would like to remind everyone to be vigilant. By knowing what kind of crime to expect, we can take steps to make criminals less successful. I think we can all agree that a criminal's business is the type of business we can do without in our city! Here are a few reminders to reduce your vulnerability to burglary.

# WINTER SPRINGS POLICE DEPARTMENT (CONTINUED)

## **For Vehicle Burglary:**

1. LOCK YOUR VEHICLE!
2. DO NOT leave items of value in your vehicle.
3. Your vehicle is no place to store LAPTOPS, CELL PHONES, WALLETS, JEWELRY and especially FIREARMS. If you are a concealed weapon permit holder or firearm owner, it is your responsibility to ensure the security of that firearm at all times, NO EXCEPTIONS.
4. When parking for long periods of time, make sure you bring everything of value with you (phones, purses, wallets).
5. Be conscious of where you park. Park in well lit areas and avoid parking in areas that shield your vehicle from view i.e. in between two vehicles larger than your own.
6. Double check windows and door locks to ensure they are operating properly.
7. Just because you put something under the seat or under a towel does not mean it is hidden from passersby.

## **For your residence:**

1. LOCK YOUR HOME!
2. Keep your garage door CLOSED!
3. Even when you are in the home, get in the habit of keeping doors and windows locked.
4. Report unusual occurrences and solicitors to the police.
5. Verify all contractors and service personnel with whom you are doing business.

# WINTER SPRINGS POLICE DEPARTMENT (CONTINUED)

6. When leaving on vacation, come by the Winter Springs Police Department and initiate a House Check!
7. Ask a trusted friend or neighbor to check in on your home from time to time.
8. DO NOT post information regarding the period of time and the amount of time you will be gone on any social media. That includes ALL family members.
9. Schedule to have your mail and / or newspaper held at the Post Office or picked up by a friend.
10. Keep an eye on friends' and neighbors' houses when you know they are not there.

## **While on Vacation:**

1. Research your destination and familiarize yourself with it. Know what to do in case of emergency and what resources are available to you.
2. DO NOT carry large sums of cash. Carry multiple limited-balance, reloadable cards. They are like traveler's checks; they are guaranteed against loss or theft. They can be cancelled and reissued.
3. Bring one credit card with low or no balance for emergencies.
4. Do not leave valuables in the hotel room. If you must, use the safe in the room or ask at the front desk. Most hotels have a safe for just such occasions.
5. Beware of leaving valuables by the pool or on the beach. Again, a towel is a poor substitute for security.

# WINTER SPRINGS POLICE DEPARTMENT (CONTINUED)

By turning up your vigilance just a bit, you can significantly reduce the risk of being victimized by burglary. If you deny criminals the opportunity to commit crime, you will have done everything you can do to prevent crime. You will have become part of the 360 shield which protects our community. Let's make our city a bad place to commit burglary.

## Opportunity Site:

• Winter Springs offers excellent opportunities for the development of high technology industries. Situated on the eastern edge of the City, Seminole Way is a strategic economic development initiative focused on attracting high value jobs and businesses to Seminole County. The State Road 417 (Central Florida Greenway) corridor defines the boundaries of the Seminole Way district, spanning the length of Seminole County and connecting to both Orange County's "Innovation Way" and the "Medical City" located at Lake Nona. The City has targeted the district for technology industry development complemented by commercial and retail establishments. This district is expected to become a premier employment center with professional and high tech office buildings, conference facilities, and hotel rooms. The GID opportunity site is comprised of 26 potential sites with over 378 acres. One of the key features of this opportunity site is the ease of assemblage: it offers the largest potential for consolidation of vacant developable land within the City under the ownership of only three land owners.
