The Citizen's Police Academy is an opportunity for citizens to learn in depth about the many aspects of law enforcement. The Citizen's Police Academy is a prerequisite for participation in our Citizens on Patrol program. If you have ever had an interest in learning more about what we do or would like to volunteer your time to aid the Police Department as a Citizen On Patrol, please consider this program. It is free of charge and only requires an investment in your time. The time you invest can only make our community stronger. Approval by the Governor and Cabinet is targeted for November 2016 with construction commencing in the 2nd quarter of 2017.

Opportunity Site:

• Winter Springs offers excellent opportunities for the development of high technology industries. Situated on the eastern edge of the City, Seminole Way is a strategic economic development initiative focused on attracting high value jobs and businesses to Seminole County. The State Road 417 (Central Florida Greenway) corridor defines the boundaries of the Seminole Way district, spanning the length of Seminole County and connecting to both Orange County's "Innovation Way" and the "Medical City" located at Lake Nona. The City has targeted the district for technology industry development complemented by commercial and retail establishments. This district is expected to become a premier employment center with professional and high tech office buildings, conference facilities, and hotel rooms. This opportunity site is comprised of 26 potential sites with over 378 acres. One of the key features of this opportunity site is the ease of assemblage: it offers the largest potential for consolidation of vacant developable land within the City under the ownership of only three land owners.
