

NEW AND IMPROVED UTILITY BILL

The City of Winter Springs is rolling out a new and improved Utility Bill this summer. Thanks to the great feedback from the citizens of Winter Springs, the new bill is designed for enhanced readability with features for fast and easy bill paying. With the new design you'll, see a graphic display

of your water consumption, enjoy the convenience of paying your bill using a Smart Phone QR Code App and read helpful hints in the 'News You Can Use' section. Later this year, expect an improved bill payment page on the city website and an enhanced automated phone bill pay system.

With your Smart Phone and QR Code Reader App, Scan the QR code for a fast convenient way to pay your utility bill.

This message will provide you with news and convenient tips.
