Utility Deposit Transfer Service Application

Complete this form to transfer an account deposit from a terminating utility account to a new account.

Requirements:

- A deposit must exist on the terminating account.
- The terminating and new accounts must be services by the City of Winter Springs.
- The terminating and new accounts are in the name of the terminating account holder.

The utility service deposit is \$100 (\$30 Water / \$70 Sewer). A \$20 (Non-Refundable) application fee is applied to your first bill.

Terms & Conditions

I, the undersigned customer acknowledge and agree that I shall be financially responsible for any amounts due for utility services provided to my account and any accrued late fees or charges until termination of services is requested. Any deposit paid to secure utility services may be applied against any outstanding amount or debt reflected on the final billing and any remaining credit will be refunded together with any accrued interest at a rate not to exceed six (6) percent per annum as determined by the City of Winter Springs ("City"). The City hereby reserves the right to terminate or suspend any delinquent utility account and may assess late fees for any unpaid balances due as set forth under the Winter Springs City Code and the customer may appeal such delinquency or termination pursuant to the Winter Springs City Code. The City or its assignee shall be entitled to enforce any claims or rights in order to collect any debt owed to the City under this account and may undertake the collection of any debt against you and this account by any lawful means. Should the City take action to collect a debt on your account, you agree that the City shall be entitled to collect from you any and all costs associated with the collection of said debt including, but not limited to, reasonable attorney's fees, court costs, collection agency fees, and other debt collection expenses incurred by the City.
