

State Road 417 Seminole Expressway Widening

Orange County Line to North of State Road 434 • Financial Project ID Number: 417545-1

The Florida Department of Transportation (FDOT), Florida's Turnpike Enterprise will hold a Design Public Information Meeting for the State Road 417 (Seminole Expressway) widening project. The meeting will be held on Thursday, October 29, 2015 from 5:30 p.m. to 7:30 p.m. at Metro Church in Winter Springs. In the event that the Public Information Meeting cannot be held on October 29, 2015 due to severe weather or other unforeseen conditions, it will be held on the alternate date of Tuesday, November 3, 2015 at the same time and place. The meeting is an informal open house where

plans are available for review and project staff is available to address questions.

The project will widen the existing Seminole Expressway from four lanes to eight lanes from the Orange County Line (MP 37.706) to north of S.R. 434 (MP 44.599), a project length of approximately 6.89 miles. The proposed improvements include two express lanes in each direction, with a four foot buffer between the general use lanes and the express lanes. Noise barriers within the project limits will also be included where FDOT criteria are met.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodation under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Snehal Ambare, P.E., Project Manager, at least seven (7) days prior to the Public Hearing.
