City of Winter Springs completes construction of new boardwalk at Trotwood Park

WINTER SPRINGS, Fla.-On August 12, 2024 the City of Winter Springs completed the latest improvement to Trotwood Park with the opening of a new boardwalk.

With the new boardwalk the City completes the final phase of a multi-year improvement project at the park which includes a new basketball court, new parking lot and playground improvements.

The latest addition to the park is part of the City of Winter Springs Perk up Parks Initiative, which focuses on improving City parks and play areas to strengthen our community and the overall quality of life.

The new boardwalk was built entirely by City of Winter Springs Parks Department staff at a fraction of the cost resulting in the City saving nearly \$250,000 on the project.
